As stated by Dr. Saurav Agrawal, DG, ECI, “We are acting as a ‘Development Partner’ for facilitating the ‘Regenerative Co-development’ in form of upgradation, upliftment, restoration and innovation in favour of the ‘Special Children’ to cope with the modern world”.

We are cordially thankful to our Dr. Madhu Sharma, Head of the School and entire team of Directorate of Education, Govt. of NCT of Delhi under the ‘Vidyanjali’ (A School Volunteer Programme), Ministry of Education, Government of India having positively accepted our proposal under the CSR module for a modernisation of the Govt. School without having any financial implication or monetary burden on the school / govt. departments.

Dr. Agrawal further stated, ‘we humbly urge all the stakeholders of the global communities for coming forward and joining hands with us by supporting this niche initiative through legitimate means and modes for an expedite regenerative co-development in favour of our ‘Special Children’ who all are the present and future of the nation and would accelerate the national economic growth and development ‘Peacefully and Economically’ in time to come.

We look forward to implementation of various programs and activities as proposed.

Wishing Peaceful Economic Prosperity to all our Special Children!

Best regards,

**Office of the Director General
