

## ENERGY-AS-A-SERVICE

### OVERVIEW

- ❶ **Economic Council of India** is a not-for-profit (NFP), non-govt.-entity (NGE), an independent company one-of-its-kind in India duly committed towards fostering '*Economic Fraternity and Economic Non-violence*' by accelerating the National Economic Growth via '**Peace Economy**' through '*Peace Led Regenerative Economic Co-Development*' via restoration, improvement, upgradation and advancement of existing cum new infra / resources literally means '*moving beyond sustainability*' considering '**Common Good**'.
- ❷ **ECI** is deeply concerned about ongoing energy crisis, geo-economic tensions, supply-chain logjam, decreasing currency value, steep price increase, high rising inflation and disquiet about foreseen crisis and economic slowdown stunting India's growth.
- ❸ **ECI** established a '**Consortium**' including requisite stakeholders to mitigate the energy risk, via '**Energy Harvesting**' by providing an 'Integrated, Decentralised, Cost-effective, Captive, Solar / Wind / Hybrid / BESS Energy Solutions' for the strategic sectors especially like Defence, Space, Universities, Warehouses, Hospitals, and other critical infrastructures for providing inhouse '**energy security**' to end-users through '**Pay-Per-Use**' (PPU) model i.e, an ultimate beneficiary / end-user, which may include govt. / institutional / commercial / industrial / domestic, etc, would not spend '*No CAPEX / No Investment*' nor '*OPEX*' at all.
- ❹ **ECI** being a '**Development Partner**' with Government / Private Organisation, front-footed by initiating a niche program so called '**Energy-As-A-Service**' (EaaS) for the purposes of benefitting the 'Mass' but not limiting to the class, via providing a state-of-the-art, modern '*Regenerative Energy Service*' which means restoration, upgradation and innovation at decentralised levels by facilitating a distributed energy as '**Gated Power**' at door-step with a national centric approach whom all the valued tax-payers / residents / professionals / defence personnel / citizens of India for achieving "सौर्यउर्जित भारत".
