

RELEASE

New Delhi, 10th August 2026

Economic Council of India (ECI), peacefully thankful to the **Hero Rooftop Energy Pvt. Ltd.**, a Renewable Energy arm of the reputed Hero Group, the Leading Renewable Energy player in India with a growing global footprint with an investment and support of world-class institutions like IFC, KKR & Co., in addition to the Hero Group, for inking a mutual understanding as a **'Strategic Partner'** for supporting an energy efficiency, and decarbonisation program to ensure 'Energy Security' via 'Energy Harvesting at decentralised levels at our niche initiative so called **'Energy-As-A-Service' (EaaS)**, a national program under the vertical of the **'Peace Economy'**.

HREPL shall act as a **'Renewable Project Developer'** for implementing various identified projects and services and **ECI** shall purely act as a **'Project Advisor'** or **'Project Facilitator'**.

ECI and HREPL (an arm of leading conglomerate the Hero Group) in cooperation with each other for sharing the **'Regenerative Practices'** across domains and verticals for providing the **'Distributed Renewable Energy Solutions'** including Solar, Wind, Hybrid Energy, Battery Energy Storage Systems (BESS) out of their established or an upcoming asset for mitigating energy crisis to the ultimate beneficiaries including Commercial and Industrial (C&I) sector.

ECI cordially thankful to the entire team of the **Hero Future Energies.**, under a visionary leadership of 'Munjal Family' for extending this support at ECI, **Peacefully & Economically**.

Wishing a Peaceful Economic Prosperity to Hero Future Energies!

**O/o Director General
Economic Council of India**
