

RELEASE

New Delhi, 06th August 2026

Economic Council of India (ECI), peacefully thankful to **UltraTech Cement Ltd.**, the leading cement flagship company under the Aditya Birla Group. A USD 10 Billion building solutions powerhouse, a leading conglomerate for engaging into serious dialogues, constructive discussions, exchanging correspondences and '**Appreciating**' our efforts for promoting innovative approached towards *energy security, efficiency and decarbonisation program* via **Energy-As-A-Service (EaaS)**, a national initiative under the **Peace Economy**.

UltraTech global consolidated manufacturing capacity stands at **205.5 MTPA** (including 200.1 MTPA domestically), spans over **34 integrated units, 36 grinding units, and 465 Ready Mix Concrete (RMC)** plants. With these figures, it is the largest cement manufacturer globally (excluding China). Backed by an ongoing capex of over Rs. 16,000 crores, UltraTech is actively expanding. Their next phase of growth is fully underway to reach the target of **240+ MTPA**, further extending their domestic and international footprint.

ECI being a potential '**Development Partner**' with UltraTech Cement for sharing the '**Regenerative Practices**' at their Cement Sector by supporting, coordinating and facilitating a '**Peace Led Regenerative Economic Solutions**' for achieving an energy security, efficiency, decarbonisation towards their business investments, projects & infrastructures after strategic evaluations and transforming truly into a '**Smart cum Net-Zero-Establishments**'.

ECI cordially thankful to the entire team of the **UltraTech Cement Ltd.**, under a visionary leadership of Shri. Kumar Mangalam Birla Ji, Chairman, Aditya Birla Group for extending support and cooperation with us '**Peacefully & Economically**'.

Wishing a Peaceful Economic Prosperity to ECI & UltraTech!

**O/o Director General
Economic Council of India**
